PREPARATION

Step 1

200 g king oyster mushrooms, pulled - **40 ml** Kikkoman Sauce for Poke Bowl - **1 g** five-spice powder - **1 tbsp** cooking oil

Heat a pan over a medium heat and add a splash of oil. Sauté the pulled king oyster mushrooms for about 5-7 minutes until tender and golden brown. Add the Kikkoman Poke Sauce and five-spice powder and cook for another minute. Leave to cool.

50 g lettuce, shredded - **10 g** fresh coriander leaves - **10 g** fresh mint leaves - **30 g** roasted peanuts - **100 g** cooked rice vermicelli - **9** rice paper spring roll wrappers

Fill a shallow dish with cold water. Dip a rice paper wrapper into the water for a few seconds until it softens. Lay the wrapper flat on a clean surface. Place a small handful of shredded lettuce in the centre of the wrapper, followed by a portion of the cooked vermicelli, mushrooms, coriander leaves, mint leaves and chopped nuts. Fold the sides of the wrapper over the filling, then roll tightly from the bottom to fully enclose the filling. Repeat with the remaining ingredients.

In a small bowl, whisk together the Kikkoman Soy Sauce, lime juice, sugar, minced garlic and chopped chilli until the sugar dissolves. Serve with the spring rolls.
