Mix the remaining Ponzu, yoghurt, honey mustard and maple syrup for the dressing and season with pepper. Quarter the little gem lettuces and radishes. Cut the nectarines into wedges. Halve the avocados, remove the stone and cut the flesh into slices and immediately drizzle with lime juice so that it does not turn brown.

Step 3

Warm the focaccia briefly in the oven or in oil in a pan and break it into pieces. Arrange the little gem, radishes, nectarines, sugar snap peas and avocados on plates and drizzle with the dressing. Fry lamb chops in a non-stick pan on both sides for approx. 5-8 minutes, place on the salad and serve with focaccia.
