Meatballs:

100 g millet
1 onion
120 g button mushrooms
1 tbsp lemon juice
1 tbsp olive oil
2 tbsp chopped parsley
2 tbsp chopped chives
1 pinch of pepper
1 tbsp Kikkoman Naturally
Brewed Less Salt Soy
Sauce
rapeseed oil for frying

Additionally:

1 jalapeno pepper
parsley for garnish
100 g couscous

PREPARATION

Step 1

Thinly slice the carrots and onion. Mix with the spices and crushed garlic (using a garlic press) and sauté in olive oil. Pour in the water and simmer over low heat until tender. Season with Kikkoman Less Salt Soy Sauce and blend into a smooth sauce.

Step 2

Rinse the millet and scald it with boiling water. Then, add double the amount of water and bring it to a boil. Reduce the heat and cook for 12 minutes.

Step 3

Dice the onion, grate the mushrooms using a grater, and mix with lemon juice. Sauté the mixture in olive oil until the mushrooms soften, and the liquid evaporates from them.

Step 4

To the cooked millet, add the mushrooms with onion, add herbs, pepper, and Kikkoman Less Salt Soy Sauce. Mix everything and shape into small balls, then fry them in oil until they turn golden brown. Serve them with carrot sauce, chopped jalapeno pepper, parsley, and couscous.
